WILL YOU HELP US KEEP OUR MISSION STRONG?

Community Clothes Closet has been serving disadvantaged individuals and families since 1980. We believe clothing can open the door to a better future and we are dedicated to our mission of providing free clothing to all people in need.

In 2021, we helped over 3,000 of our friends and neighbors. We empower people by providing dignified, functional clothing so they can feel confident in social situations, ace a job interview or a test at school and stay safe from harsh, outdoor elements.

Please consider supporting our most important fundraiser of the year with a donation or sponsorship.
