Help Keep Our Mission Strong

Community Clothes Closet has been serving disadvantaged individuals and families since 1980. We believe clothing can open the door to a better future and are dedicated to our mission of providing free clothing to all people in need.

In 2023, we helped over 9,800 of our friends and neighbors. We empower people by providing dignified, functional clothing so they can feel confident in social situations, ace a job interview or a test at school and stay safe from harsh, outdoor elements.

Please consider supporting our most important fundraiser of the year.

Research proves what we wear affects our behavior, attitudes and confidence – how we see ourselves and interact with others. With appropriate apparel, people are able to focus on the task at hand without the threat of ridicule or isolation due to worn, inadequate clothing and shoes.

Please join us and help keep this impactful community resource strong!
